GEMINI MAY 21–JUNE 20

It's time for an image overhaul; enhance your wow factor. An instant attraction can have your heart doing somersaults. Don't force an issue that involves a creative venture; let it evolve naturally.

CANCER JUNE 21–JULY 22

Family may be demanding — but before you do anything, get the facts. When mixing friends and money, make sure everyone understands the rules. Be careful of keeping secrets; it may be best to come clean before it's too late.

VIRGO AUG. 23–SEPT. 22

To straighten up your finances, try a new money-management strategy. If it's make-or-break time with love, take a stand for your beliefs and values. Every relationship needs compromise, but some decisions have to be right for you.
